Vol. 6, Issue 1

Refresh.. Renew.. Renovate

In This Issue:

Renew your home, Refresh your spirit....

Tax Credit for Energy-Efficient Products...

New EarthCraft House™ Renovation Program...

**Remodeling Feature...
REFRESHING RENOVATIONS**

We noticed a theme last year: renovations with elements that prompted respite.

Spaces that inspired relaxing and rewinding.

We embrace organic styling and rooms inspired by nature.

The Master Suite featured right and this French Country/rustic Kitchen below are perfect examples...

Visit our newly updated Project Gallery for more spaces that inspire.

Vendor Spotlight...

...On-line resource providing a great selection of high-quality fixtures (plumbing/electrical) & furniture-grade vanities at great prices.

Master Suite Addition with Master Bath

A New Year empowers Revitalization...

Starting anew is exactly what many of us strive to do at the onset of each new year. Renewing your environment can provide physical as well as emotional benefits. If you have placed your home repairs or a major project on the back burner, now is a great time to kick-start your new plan and repair/replace items around your home that may be running inefficiently or that just need a new "polish". Visit our newly updated Project Gallery to see some of the new projects we've recently completed (including a **Master Suite Addition with a New Master Bath, Great Room Conversion, 3 New Kitchens, and a Finished Basement with Decks.**

Tax season is upon us! As we complete our tax forms, you may have additional deductions - many new windows, doors, even appliances offer a tax credit...

We now offer **green-certified remodeling** through the **Greater Atlanta Home Builders and EarthCraft House™ Program...**

Learn our latest company news: we're growing! In 2007, you may have met our new staff members. This January, we moved into our new office in East Cobb. See pg 2 for photos of our new staff & Office.

Going "Green"... Our efforts toward compliance

Green remodeling is one of the fastest growing markets within the remodeling industry to date. Every major material manufacturer now offers environmentally-safe and/or energy-efficient products and "green" construction is a hot topic in every media available. Through the **EarthCraft House™ Renovation Program** offered in conjunction with the *Greater Atlanta Home Builders*, we now offer "Green-certified" remodeling (which involves environmental inspections. Visit the *Earthcraft's web site* for info: <http://earthcraft.com/About/renovation.htm>.

Green Tip: Tankless water heaters are a valuable investment to maintain consistent water temperature while minimizing waste (and may offer a tax credit!) (We're currently using Rinnai® Smart Technology water heaters in on-going interior renovations. This line also includes ductless heaters. Read more about our Green efforts on our Downloads web page for the latest **Company Updates & Industry News**, including "Green" Remodeling.

Product Spotlight...

Efficient Finishes

Energy-efficiency is not only better for the environment - it's better for your wallet.

Many energy-rated appliances provide **tax credits up to \$500** (including windows and appliances). To determine the tax credit for your new product, visit the **Energy Star website** at: http://energystar.gov/index.cfm?c=products_pr_tax_credits#chart

Also review our efforts toward **Green-compliance** on our website's "Downloads" page.

Are your closets time-efficient?

Most of us could have better closets that allow to quickly and easily store your items. Put cleaning out your storage areas (closets, Laundry, Garage) on your Winter "to-do" list. Once you de-clutter, reorganize with a new storage system. ProClosets®, our preferred brand of organizing systems that we now distribute, provides custom closets/shelving systems for your Bedrooms, Laundry, Pantry, and Garage that offer high-quality durability at an affordable cost. These hearty systems look great, too, and come in multiple finishes and hardware options.

NEW PLACES! We have a new home! Totally Dependable's address has changed to **3885 Sandy Plains Road.**

We're in the process of transforming our new space into our showroom...wait & see!

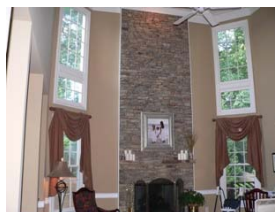

Before & After Contest!

We want to see the most dramatic renovations (*performed by Totally Dependable, of course!*). Send us your best "Before" & "After" pictures. Each participant will receive a **coupon** for **1 FREE HOUR** off of their next **HANDYMAN Service** and the **Contest Winner will receive a \$50 restaurant gift certificate** accepted by any restaurant in the Buckhead Life Restaurant Group.

The following is a great example of a dramatic change...

Great Room Conversion (with Upper Level Addition). See the full project online under "Project Gallery" → "Interior Renovations".

Fine print: Multiple entries can be submitted per person/household – only one HANDYMAN coupon per household will be issued. Coupon will be applied to the total daily service charge with a maximum redeemable savings of \$65. All entries must be submitted by 4/1/08. Contest winners will be announced by 4/15/08. Acceptable photography formats include .JPG, .TIFF, .PDF or original pictures (originals will not be returned). Please send files to staceyh@totallydependable.com or mail to 3885 Sandy Plains Road, Marietta, GA 30066.
